"Tabor Boy" *School On The Sea Program*

Tabor Students are gearing up for an adventure in the Caribbean Sea aboard the 92-foot schooner, *Tabor Boy* beginning on January 28th. This is the first of four voyages that give students the chance to become a part of the ship's crew. Under the command of Captain James E. Geil, the *Tabor Boy* will voyage south to serve as a base of operations for a challenging new course of instruction focusing on fragile coral reef ecosystems. Each academic cruise will bring together 12 to 14 students with Tabor's oceanography instructor, Duane R. Minton, as program director.

While aboard the *Tabor Boy*, students will examine various coral reef communities while investigating natural and man-caused factors which affect them, while on location in the United States and British Virgin Islands. Scientific course material will be complemented by a series of interdisciplinary lectures which relate the natural environment of the region to the history and culture of its inhabitants. Each student will receive one minor course credit in Coral Reef Ecology if they successfully complete the program. Other curricula include Oceanography, Meteorology, Caribbean History and Culture, Geology of Island Formation, Tropical Rainforest, Marine Bird Identification and Counting, Sail Training, Navigation and Songs of Sailing and the Sea.

The School on the Sea program also offers students a chance to further their knowledge and skills in nautical science. Sailing during the day and anchoring at night, students will steer, handle sail, stand watch and take part in various other traditional duties aboard a large sailing vessel. Basic navigation is included in the program and students who wish to practice advanced coastal or celestial instruction from the captain or crew. A "typical" day schedule includes a balance of lectures, discussions and hands-on activities.

The students begin their day at 6:00 am with a morning dip. Breakfast is at 6:40 am, with a vessel clean-up following at 7:15 am. At 8:00 am they review colors, followed by the morning lecture. By 9:00 am they are snorkeling on neighboring reefs to identify and catalog species of coral and reef fish. At 10:00 am they visit and explore the island. At 11:00 am they weigh anchor, one watches the sails, others analyze water and samples and study data. They eat lunch at noon and change their watches at 2:30 pm.

At 4:30 pm they let go of the anchor and furl the sails. Dinner is at 6:00 pm, followed by weather measurements and predictions at 7:30 pm. It's time for another lecture at 7:45 pm, right before a glorious sunset. Students then tell sea stories, sea songs, write in their journals or read from 9:00 until 9:30. Anchor watch starts at 9:30 and lights are out at 10:00 pm. A new day is waiting for them.

Students come back having experienced truly unique and varied experiences.

Built near Amsterdam in 1914 as a Dutch North Sea Pilot schooner, the *Tabor Boy* originally carried the name *Pilot Schooner Number 2* and was engaged in that service until 1923. Renamed *Bestevaer*, she then sailed as a schoolship for the Dutch merchant marine until her capture during the German occupation of the Netherlands in World War II.

Bestevaer was returned to Holland after the war and, in 1952, sold to businessman Ralph C. Allen. Mr. Allen had the vessel sailed to the United States and, two years later, presented her to Tabor Academy. She arrived in Marion on May 20, 1954 and has since logged countless miles with her crews of Tabor students.

Today, the *Tabor Boy* is a Coast Guard inspected and certified sailing school vessel and voyages from Maine to the Caribbean. Her various programs extend to Tabor students a broad variety of opportunities to experience and learn from the sea.

On The Cover: A group of alumni and friends sailed on the *Tabor Boy* recently in Bermuda. Beginning on January 28, a group of students from Tabor Academy will board the *Tabor Boy* to learn about Coral Reef and sailing for class credit.

Mattapoisett Selectmen's Meeting January 9, 1996

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday January 9, 1996 at 7:00 pm by Selectman John N. DeCosta. Also present was Selectman Daniel O. Mahoney and Executive Secretary Carol Adams. Chairman Paul Lambalot arrived a few minutes late. After approving the minutes from the January 2 meeting, Selectmen approved an Auctioneer License for Dennis Broadbent for February 3, 1996 at the Friends Meeting House. Ms. Adams noted meetings throughout the week including a Veterans Council Meeting on Thursday, January 11 at 6:30 pm and a Gasoline Recovery Bid Opening on Friday, January 12 at 10:00 am. Selectmen then reviewed the following correspondence:

- A letter was received from Dr. William Muldoon Jr. expressing his thanks to the police department for providing CPR training to a group of ten people.

- Complaints were received from both Mr. and Mrs. Chester Rusinoski and Jennifer Rusinoski

against a pit bull owned by Robert Jussaume on Fairhaven Road. According to the letter, the pit bull has attacked the Rusinoski's dog last summer and in the fall. In December the pit bull attacked Mrs. Rusinoski. "I was able to defend myself by throwing snowballs at her," she added. The pit bull then attacked her daughter-in-law, Jennifer Rusinoski. Selectmen said the Dog Officer, Brian Nunes, has already sent a letter to Mr. Jussaume with regard to his loose animal. Selectmen agreed to send a standard letter stating if there are any further

MARTIN LUTHER KING

Fulfilling a dream combining her love of animals with her skills as a professional nurse, Priscilla Smith-Trudeau announces the opening of "A Time to Sit." Her inspiration comes from the many animals she rescued, sheltered and loved throughout the years.

"People turn to pets for companionship, affection and love. Some pets are even considered valuable members of the family unit. This service will allow pet owners to go about their business, travel and leisure activities knowing that a caring person is watching over their animals and home, the result being less stress on the pet and the pet owner."

Priscilla Smith-Trudeau is a Registered Nurse, writer, and lecturer on the issues of human and animal rights. A graduate from the University of the State of New York her career has been focused on combining conventional and holistic medicine. She believes that animals have a powerful effect on the physical, mental and emotional well-being of people. She is a member of the Wellness Resource Center, Greyhound Friends, Inc., and the New Bedford Animal Rescue League.

Services will include pet sitting; pet transportation to local veterinarians and groomers; and counseling on pet issues (i.e. coping with illness, acquiring a new pet, bereavement.) She can be reached at (508) 763-3796. References upon request.

complaints a hearing will be held.

- Notice was received from Pat Farrell, Community Affairs Manager for Continental Cablevision advising that she has accepted a position with Continental in Naples, Florida.

- Notification was also received that a Stormwater Control Workshop will be held on January 16, from 1:30 pm-4:30 pm at the BBAC Office. The next BBAC meeting will be held on January 10 at noon in the Marion Town Hall.

- Fire Chief Scott has been selected to speak on Mattapoisett Fire Department's response to carbon monoxide calls and manages the call load under the existing UL standards. The Consumer Protection Safety Commission has selected Chief Scott and four other chiefs to participate in this seminar in Washington D.C. on January 22-24.

Ms. Adams noted there is an on-going Christmas Tree pickup; she asked that residents leave their trees out for the Highway Surveyor to pick them up. Selectman DeCosta also commended Highway Surveyor, Wesley Bowman for doing a "fine job during the snowstorm."

At 8:00 pm Selectmen met with Brandt Point developers Stephen Rand, president of Brandt Point Corporation, and Larry DiCara and R.J. Lyman, attorneys for the developer. They made a preliminary presentation before the board and other town board members and residents. Mr. DiCara said they wanted to purchase a large parcel of land off

Brandt Island Road known as "Nunes Land." "It's our goal to construct housing geared toward older citizens," Mr. DiCara explained. He said they are studying how to get water and sewerage to the site and how to tie in to water lines. "We believe this property will preserve a large proportion of land. It's beautiful land," he added.

Selectmen had quite a few questions for the lawyers. "There's a couple of problems we want to raise," said Selectman Mahoney. He said the town recently increased the reserve capacity of the

EXECUTIVE ASSISTANT A UNIQUE OPPORTUNITY

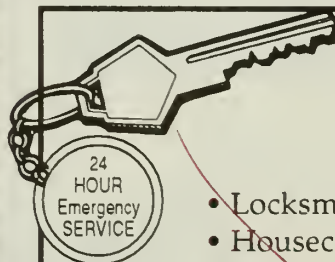

An international Management Consultant with several local projects is seeking a motivated, responsible person to provide administrative and project support on a long term basis. This person will work with a team of professionals locally and world wide.

This position is largely self-directed and requires computer literacy, excellent communication skills, attention to details, and the ability to work with senior executives and government officials. A fundamental understanding of the concept of SERVICE an essential to this position. It offers interesting and challenging work, on excellent compensation package, and a flexible working environment.

Please reply to: P.O. Box 1328, Mattapoisett, MA 02739

delivery of sewerage to Fairhaven. "The investment is half a million dollars," he added. "Some residents might say, we have spent half a million dollars to increase the capacity for their use," he said. Another problem will be bringing water to the area he said. "It's an issue of making water available to residents who live on Brandt Island Road," Selectman Mahoney said. He also wanted to know how they would solve the problems that most small lots caused. "We're interested in getting you to make a commitment to the town to take care of the problems," he said.

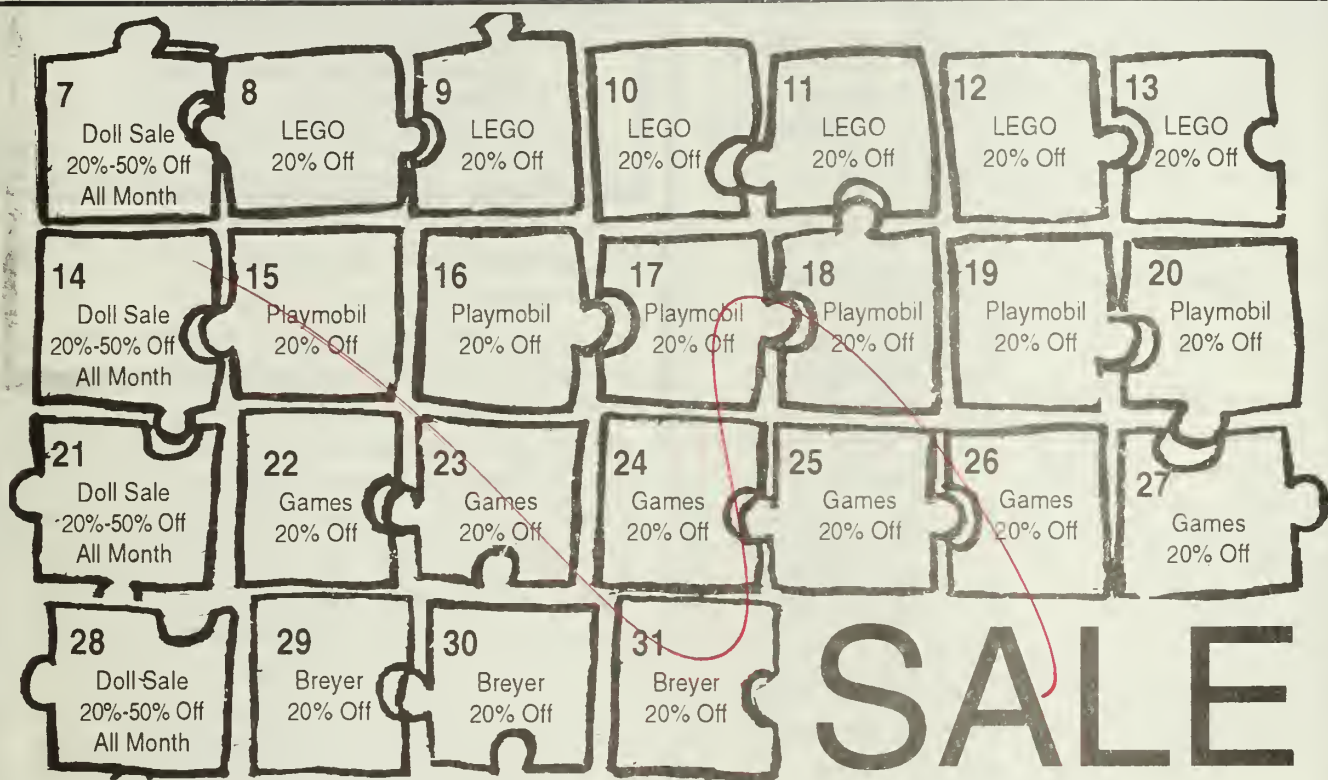

Another problem he brought up was traffic "It's an area with narrow, windy roads with terrible drainage, it's not a good set-up," he added. The last problem he mentioned was the town's water supply. Mr. DiCara agreed all of the questions raised were critical and he was working on many of them. "I'll present the preliminary figures to the water/sewerage department about usage currently available by Fairhaven purchased by Mattapoisett. It probably represents 20-30 percent of what is currently purchased from Fairhaven," he said. Mr. DiCara said they want to assure what they design

will cooperate with the community to tie in to the
line eventually.

Mr. Rand said they will create a traffic study
to submit along with other preliminary plans. He
said the average size of the lots will be 18,000 square
feet per lot. Cluster regulations allow them to go as
low as 15,000 square feet per lot and as large as
25,000 square feet per lot. He said it would cost them
\$1 million to add a 12 inch water main beginning on
Park Street to supply water to the residents. The
permit for the water line takes anywhere from six
months up to one year to obtain. "We're doing
scoping of the environmental issues, but not asking
the community to fund that line," he explained.

Selectman Mahoney said they plan to bring
the issue to a Special Town Meeting in four months
"relative to the question, whether the town should
exercise the first refusal option to purchase the
land." In other words, he said he wants the
townspeople to decide if they would rather purchase
the \$3.5 million parcel of land with or sell it to the
developers. "When the land is sold the developers
have the option to notify the town of their first
refusal option," explained Selectman Mahoney.
"Because of the impact of the project on the town,
we feel it's what we ought to do," said Selectman
Mahoney. He said he wasn't suggesting they
interfere with the action of the groups. "We felt the

question is important enough it should be brought before the voters. If they decide year, it would go on an override," explained Chairman Lambalot.

Selectmen plan to meet with the developers as they find out more information about the older citizens development. As of now, the idea is still a fairly new one and the developers said they are looking for success stories. They are also studying the laws with regard to making the development exclusively for senior citizens. There being no further business before the board to discuss, the meeting adjourned at 9:00 pm.

Selectmen was called to order on Tuesday, January 9 at 7:00 pm by Chairman Albert E. Winters. Also present were Selectman Loretta B. Schaefer, Selectman Jonathan "Jody" Dickerson, Executive Secretary Ray Pickles, and Secretary Helene Craver.

The board signed the weekly warrant and approved the water commitment and the minutes of last week's meeting. The Selectmen next discussed the correspondence for the week which included letters from:

- Brian J. Scott, chief of police, expressing his "appreciation and admiration" to the DPW for all of the snow removal done this week. "The Police Department was able to get to all calls for assistance, and, in cases where necessary DPW vehicles were present, to insure that Police vehicles got through. The willingness of your employees to be of assistance whenever and wherever they were needed was exemplary."

- Mitchell Adams, Massachusetts commissioner of revenue, stating "that Marion has been awarded a FY96 distribution from the Commonwealth Sewer Rate Relief Fund of \$10,728. This fund, in its third year of operation, was established by the Governor and Legislature to mitigate sewer rate increases due to debt service obligations for sewer construction projects." The funds will be received after a certification is submitted. The certification has already been prepared.

- Carol C. Hulton, fair coordinator for the Marion Mother's Club. She requested "permission to use the facilities at Island Wharf Park on Saturday, May 18, 1996 for the purpose of holding our Fourth

Annual Craft Fair." She also noted, "Last year's fair had 64 crafters and two food vendors. With this fair we were able to raise \$1,800 to support our programs."

•David P. Sampson, superintendent-director of Upper Cape Cod Regional Technical School. He wrote that the Regional School District Committee will begin to discuss the upcoming year's budget on Thursday, January 11 at 8:00 pm in the school's library. Executive Secretary Pickles said that the meeting will probably concentrate on funding repairs to the roof and the school building which are

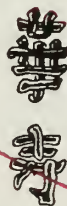

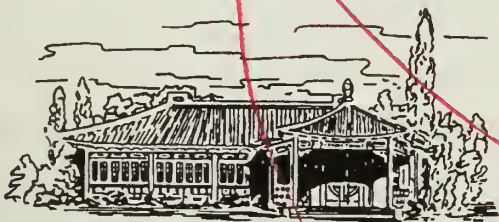

estimated to cost over a million dollars.

•Diane Crowne, transportation planner for the Southeastern Regional Planning and Economic Development District (SRPEDD). A preapplication for receiving funds from the Commonwealth of Massachusetts for transportation enhancement is due February 1, 1996. After reviewing the categories, Selectman Schaefer suggested that it may provide funding for Music Hall renovations (landscape). Chairman Winters suggested "replacing or extending old lamps in town." After doing some research, the board will discuss the matter again next

week.

Executive Secretary Pickles brought up some problems with the state over groundwater testing.

At 7:15 pm the Selectmen met with the Conservation Commission members about providing office space for the Buzzards Bay Action Committee (BBAC). The Town House is creating a centralized filing system for the planning board, and the already cramped quarters will not have enough room to house the BBAC anymore. Frank Germano spoke on behalf of the commission, stating that this loss may endanger the Holmes Brook project (fighting pollution) and that it will have an adverse effect on Marion. Because there is no agent for the Conservation Commission, there will no longer be a person in the Town House with full knowledge of its' business concerns. The Selectmen pointed out that there is no obligation to house the BBAC in the Holmes Brook agreement which they signed. Mr. Germano said that the Conservation Commission had been mistaken in that respect, but he still felt that the primary problem would be the delay and

expense of not having a fully informed person at the Town Hall.

"That probably will be a little more inconvenient, but [Dennis Luttrell of the BBAC] will only be a phone call away," Chairman Winters said. "There's always a working desk for a day or a meeting." There have been inquiries made, but no office space is available in the Town House.

With no other matters to discuss, the board adjourned at 7:30 pm.

DEPRECIATION

One of the benefits of owning investment property is the ability to depreciate it and treat this depreciation as a paper loss. Unlike other types of investments, like computers or cars, the market value of real estate historically does not decrease with age. On the contrary, it increases. This has always been one of the big financial inducements to investing in commercial real estate. What's so good about "paper loss?" It means that you can deduct this amount annually from your income and reduce your income taxes. Some years ago, real estate could be depreciated at

an accelerated rate that produced bigger deductions during the early years of ownership.

This was one of the "loop-holes" addressed by the Tax Reform Act. As it stands now, residential rental property can be depreciated over 27 1/2 years and non residential commercial property over a 39 year period. Only straight line - not accelerated - depreciation can be used.

Call BRUCE today with any of your Real Estate questions or needs, we're here to help!! 758-6738.

Letters To The Editor

To The Editor:

For the residents of Mattapoisett and Old Rochester Regional High School; How does a Mattapoisett Mom and three children say thank you for our Christmas? We had the best and most meaningful Christmas ever. How do we say thanks? Patty Catoe
Mattapoisett

To The Editor:

The 1996 census forms were recently mailed to Marion residents. It would be appreciated if residents complete and return the forms in advance of the January 31, 1996 deadline. This action facilitates the registrars' process, in turn saving taxpayers money. Thank you to the many residents

who have already returned their forms. The census information is used to determine many important factors: for example: population, location of residents, impacts state aid allocations and highway funds, affects education costs, determines school-age children, jury selection. Return envelopes are not stamped for several reasons. A large percentage are hand delivered directly to Town Hall, many envelopes are returned as undeliverable and some unfortunately are simply not returned, required follow-up by the registrars.

The Commonwealth of Massachusetts mandates the warning information be included on both the envelope and census form. If you have any questions or did not receive a census form, please call 748-3526.

To The Editor:

I am writing to you on behalf of a newly formed group that is working to establish a local affiliate of Habitat for Humanity. As you may already know, "Habitat for Humanity is committed to make decent shelter a matter of conscience and action." The Housing Co-Op, as part of the process of assisting first-time home buyers, became aware of a real need among existing homeowners-people who require much needed work on their homes but cannot afford the repairs. Six months ago, our Board of Directors decided to see if Habitat could help fill this need.

Since then, a Steering Committee has been established (I serve as Chairman with Rev. Robert Woodroffe, III as Co-chair). An agreement in principle has been reached with Habitat for Humanity International, that our new affiliate will address the need in the towns of Acushnet, Fairhaven, Marion, Mattapoisett, Rochester and Wareham. Our committee meets weekly and goals have been established that will lead to formal affiliation within a year.

During this process, the plight of a Wareham couple has come to our attention. The husband has an inoperable brain tumor and not much time to

- Fully stocked nursery • water gardens

live. Their home has no insulation and their sleeping quarters are in the garage. The house was purchased as a "fixer upper" but, as the husband said to me, there is no time to fix it up before he dies. His major concern about dying is leaving his family with such living conditions. His minister confirms that the need is real and genuine. In fact, their church is advancing the date of the Annual Appeal to obtain funds to contribute to the Bailey project.

Concurrent with our organizational efforts, we are going to help this family. We have had an architect contribute his services and produce a plan to rehab the garage space to provide much-needed living space. A bill of materials has been developed. Local contractors are volunteering their time and expertise. The project is close to being fully licensed and insured.

Time is against us! We are seeking donations of money and building supplies. The total estimated cost of the project is \$7,000. Because the Marion/Mattapoissett/Rochester Housing Co-op is recognized by the I.R.S. as a tax free organization any contributions are tax deductible. A separate fund has been established for this purpose and checks can be made payable to: M/M/R Housing Co-

BANZ FINANCIAL SERVICES

(508) 758-4708

Are you thinking of retiring in the next few years?
This is the time to focus on the benefits *your* retirement plan may offer - and how *you* can enhance them now, in order to meet your future financial retirement needs.

Robert D. Banz, CFP, MBA, Registered Investment Advisor

Financial Planning for retirement, college, taxes, investments.

PLANNING MAKES A WORLD OF DIFFERENCE...

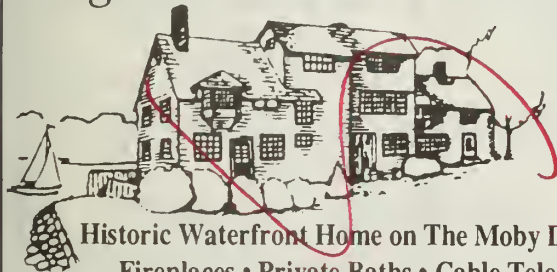

video slide presentation, lecture, and question and answer time.

Mr. Skomal has worked with white sharks in Australia, tiger sharks in Hawaii and the many species of sharks off our New England coast. He holds two degrees from the University of Rhode Island Zoology Department and has been working with sharks for many years. This will be presented on January 12 at 7:40 am, 8:40 am, 9:40 am and 10:40 am in the cafetorium at Old Rochester Junior High School. The public is cordially invited.

UPLIFT Students

With the help of Chief Ronald Scott, Mattapoisett Fire Department, a group of Old Rochester Regional Junior High School students from the UPLIFT program, produced and directed two public service announcements. The issue focused on holiday and ice skating safety. The students involved were Camille Chu, Phoebe Evans, Hilary Loranger, Caitlin Babbit and Craig Braman. The video taping was done by George Solich, junior high custodian and aired on Continental Cablevision. Under the direction of Jane Tougas, UPLIFT teacher, the students and Chief Scott are working on future presentations.

Animal Advice

Jay Gould, DVM

I recently noticed that both my cat and dog have fleas, what can I do?
If your dog or cat has fleas in the winter it means that fleas have set up a house in your home. The only way to get rid of the fleas on your pet is to simultaneously get rid of the fleas in the house as well as on your pets.

How can I get the fleas out of the house?

A thorough vacuuming will help (throw away the bag). In addition, treating the house with a spray containing an insecticide to kill the adult fleas and an insect growth regulator to prevent flea eggs and larvae from developing into adults is an effective way to control the problem. If you have a large home, it may be a good idea to contact a pest control service.

How can I prevent my home from becoming infested with fleas?

Talk to your veterinarian about Program, a new, once a month tablet that acts to sterilize fleas so they can not reproduce in your house. Another product is the Ovitrol flea collar which accomplishes the same task.

*Dr. Gould can be reached at the

Tri-Town Music Association

Sunday, January 28th has been chosen as the date for the Annual Free Children's Concert to be given by the Tri-County Symphonic Band. The concert will be held at 3:00 pm (plenty of time for dad to get home for the Super Bowl) in the Main Auditorium of UMass, Dartmouth. This event is always a great family experience including a chance for some lucky ones to lead the band. Mark it on your calendar now.

The concert is sponsored in part by the Massachusetts Cultural Council, by the New Bedford Cultural Council and by the Polaroid and

Bishop Stang Placement Tests

Bishop Stang High School has scheduled an additional placement test on Saturday, January 20 at 8:00 am. All eighth grade students interested in attending Bishop Stang next year who have not yet taken the test should take the test on the 20th. The results of the test are used from placement purposes. Students should arrive at 7:45 am and expect to

remain until approximately 11:30 am.

The testing fee is \$10 and is due the morning of the test. There is no preregistration. Applications packets for Bishop Stang High School will be distributed at the placement test. Questions concerning enrollment at Bishop Stang may be directed to Al Catelli, Director of Admissions, at 996-5602.

Lloyd Center

Antarctica!

The Lloyd Center continues it Saturday Seminar Series on January 13 with an exciting talk by George Hampson of the Woods Hole Oceanographic Institute. Dr. Hampson will be discussing his research and experiences in Antarctica, home of numerous species of penguins, marine mammals, bizarre fish, and other exotic wildlife. This talk runs from 2:00 pm-4:00 pm and is sure to be a fascinating account of life on the frozen continent. The fee for this seminar is \$2 for members and \$3 for non-members. Please pre-register by contacting the Lloyd Center.

Raptors Of Lakeville

Join the Lloyd Center on January 14 to view the many hawks and eagles which spend the winter soaring over the lakes and ponds of Lakeville. This walk is led by Karen Holmes, who has discovered that immature bald eagles' plumage varies from year to year and from individual to individual, thereby allowing her to identify specific individuals. This walk is set to begin at 9:00 am and last until noon. The fee for this walk is \$4 for members and \$6 for non-members. Please pre-register for this walk by contacting the Lloyd Center at 990-0505.

Project Learning Tree

Join the Lloyd Center for a Project Learning Tree Workshop on Saturday, January 27 from 9:00 am to 4:00 pm. Project Learning Tree is an award winning environmental education program that helps teachers introduce key environmental concepts to students, allowing them to think critically and creatively about their relationship to the natural world. All participants of Project Learning Tree will receive a 400 page Activity Guide and materials for teaching science, social studies, language arts, mathematics and art in a fresh and lively way. Professional Development Points will be awarded for participation in this workshop. Participants are

The Waters Of Buzzards Bay

For the past four summers, volunteers for The Coalition for Buzzards Bay have collected and analyzed water samples throughout Buzzards Bay. These samples provide a series of snapshot views of the Bay's health and allow for the evaluation of system-wide ecological changes over time. The Lloyd Center invites you to discover what has been learned so far, investigate prospects for the future

health of Buzzards Bay. The Seminar will be held from 2:00 pm to 4:00 pm on Saturday, January 27. The fee for this program is \$2 for members and \$3 for non-members. Please pre-register by calling the Lloyd Center.

The Acushnet Cedar Swamp

Join the Lloyd Center this winter season to learn about the Acushnet Cedar Swamp. Atlantic White Cedar Swamps are considered an "endangered habitat" and are unique to the coastal plain of northeastern North America. A fascinating variety of flora awaits you mere moments from industrial New Bedford. You'll be able to smell some of the familiar aromas of the winter season as you explore the Cedar Swamp with Michael Laboissiere of Walden Forestries. White Cedar and holly trees are plentiful in this area, so come out on January 28 from 1:30-3:30 pm to learn more about our winter flora. The fee for this trip is \$4 for members, \$6 for non-members and \$1 for children under 12. Please pre-register for this event by calling or writing the Lloyd Center at 990-0505.

Mattapoisett Free Library

The winter session will have seven programs beginning January 17 and 19 and ending March 6 and 8. Children may be registered for the afternoon program on Wednesdays from 1:00 pm to 1:45 pm or the morning program on Fridays from 10:30 am to 11:15 am.

Johnson and Wales Dean's List

Johnson and Wales has announced that a total of 1,565 students have been named to the Dean's List for their academic achievement during the fall trimester. To receive Dean's List commendation, students must earn a cumulative point average of 3.4 or above. Two Mattapoisett residents have been named to the list—Steven Orzechowski who is majoring in Culinary Arts and Peter Paige who is majoring in Food Service Management.

Tobey Hospital

Tobey Hospital's capital campaign to raise \$4 million has achieved over \$2 million in pledges, thanks to a corps of dedicated volunteers who comprise the steering committee for "Community First—The Campaign For Primary Care." The hospital is deeply grateful to campaign committee members who have been meeting monthly since October 1994 to develop campaign strategies, recruit volunteers, and solicit gifts. With the community phase now underway, town chairs joined the steering committee in December. Town activities in support of the campaign will include presentations to civic and church groups, personal, phone and mail appeals

New Bedford Whaling Museum

After the rush of the holiday season, the Whaling Museum has several daytime programs which will help you relax and encourage you to spend some time close to home. Come in where it is warm, friendly, and familiar.

On Sunday, January 21 from 1:00 pm to 3:00 pm, The Old Dartmouth Historical Society Volunteer Council will host an Open House at the Whaling Museum in conjunction with the release of the cookbook, Favorite recipes from Johnny Cake Hill. Visit in the afternoon sampling desserts and other treats from the cookbook. Coffee and tea will be served. This event is free with Museum admission.

As a continuing tradition, the museum will be open free of charge to the public on Wednesday afternoons, January 3 through March 27 from 1:00 pm to 5:00 pm.

Habitat For Humanity

A general meeting for friends of Habitat for Humanity will be held on January 11, 1996 at 7:30 pm at the Wesley United Methodist Church, 462 Main Street in Wareham. Please spread the word, be generous and recruit some able folks. Meetings will rotate amongst the towns and we hope you will take the opportunity to host such a gathering sometime in the future. Any questions or concerns, please call Robert Duebber (748-1053) or Robert Wodrooffe (748-1507). Donations may be sent to Marion/Mattapoisett/Rochester Housing Co-Op, Inc., P.O. Box 779, Marion, Ma 02738. Please note at the bottom, "Habitat for Humanity."

The Spring Potpourri will be

As always, everyone who has sung with the chorus in past years will be welcomed back. All singers should come early to the first rehearsal (no later than 7:15 pm) for registration, so that practice can start on time. Now beginning its 32nd season, the 80-member Sippican Choral Society is under the direction of Peter West, with Corinne Peck as accompanist. The group performs at least two concerts every year, singing works by many of the world's great composers as well as lighter works from the musical theatre.

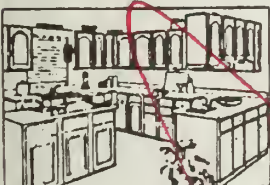

Earlier this month, for instance, the Sippican Choral Society performed Antonio Vivaldi's "Gloria" in addition to several shorter Christmas works, while last year's Spring Concert consisted of selections from the great choral works of the western world.

For further information about singing with the Sippican Choral Society this winter and spring, please call Lynn Danse (748-3653) or Peter McDonald (748-0358) both in Marion.

Mattapoisett Council On Aging

The van will be going to the YMCA on Monday January 15 and also to K-Mart in the afternoon of the Holiday. Please call to reserve your space on the van. The next mall trip will be to the Galleria in Taunton on Thursday, January 18. Dr. Crowe will be at Village Court on Wednesday, January 31.

Fuel Assistance

Applications for fuel assistance are in. Please call for an appointment or for information. The office is open from 9:00 am to 12 pm and the number is 758-4110. There are new COA brochures that have been updated, so please stop in to get a copy for easy reference.

1996/1997 Scholarship Applications

For the convenience of those students home on Christmas break from college who wish to apply to MRR's Tri-Town Dollars for Scholars assistance, applications for 1996/1997 scholarship awards are at the Town Halls and Libraries of Marion, Mattapoisett, and Rochester. These applications also apply to students, young and older, who plan to re-

enter college in the Fall of 1996.

The deadline for receiving these requests is May 1, 1996. All applications must be mailed to: Tri-Town Dollars For Scholars, P.O. Box 592, Mattapoisett, MA 02739. Applications for high school students will be available to the individual school guidance offices at a later date.

Marion Walking Club

The Sippican Striders Walking Club will have a new schedule for the winter months. The group will gather in front of Sippican School at 10:00 am on Monday mornings and 2:00 pm on Wednesday and Thursday afternoons. All ages are welcome on this hour long walk through scenic Marion.

St. Anthony's Church

Mass Schedule

The Mass schedule at St. Anthony's Parish, 22 Barstow Street, Mattapoisett, is 4:30 pm Saturdays; 8:00 am and 9:30 am and 11:00 am on Sundays; and 8:00 am daily. Devotions to St. Anthony will continue at Tuesday morning Mass throughout the year. Confessions are held Saturdays from 3:30 pm to 4:00 pm, anytime by appointment. Donations of non-perishable foods for St. Vincent dePaul may be left in the church hall or at the front of the church.

Annual Railroad Show

The Old Colony and Fall River Railroad Museum will be sponsoring its Ninth Annual Railroad Show on Sunday, January 14, 1996 from 10:00 am to 4:00 pm at the Luke Urban Field House, B.M.C. Durfee High School, 360 Elsbree Street in Fall River.

The show is open to the public as well as dealers. A crowd of over 2,000 people is hoped for because all proceeds from this event directly benefit the museum. According to Jay Chatterly, chairman for the show, there will be 155 tables of dealers and exhibitors from New England selling railroad antiques and model railroad equipment for all gauges. The museum will have sales tables at the entrance featuring many unique gifts including some Lizzie Borden items as well as a food concession. All sales from these tables will benefit the museum. Door prizes will also be awarded. Special attractions this year include representatives for the Fall River Waterfront Attractions. Also on hand once again is the New Haven Railroad

Uncle Jon's Coffees ®
"A Cup Above the Rest"

History of Coffee / History of Coffee / History of Coffee

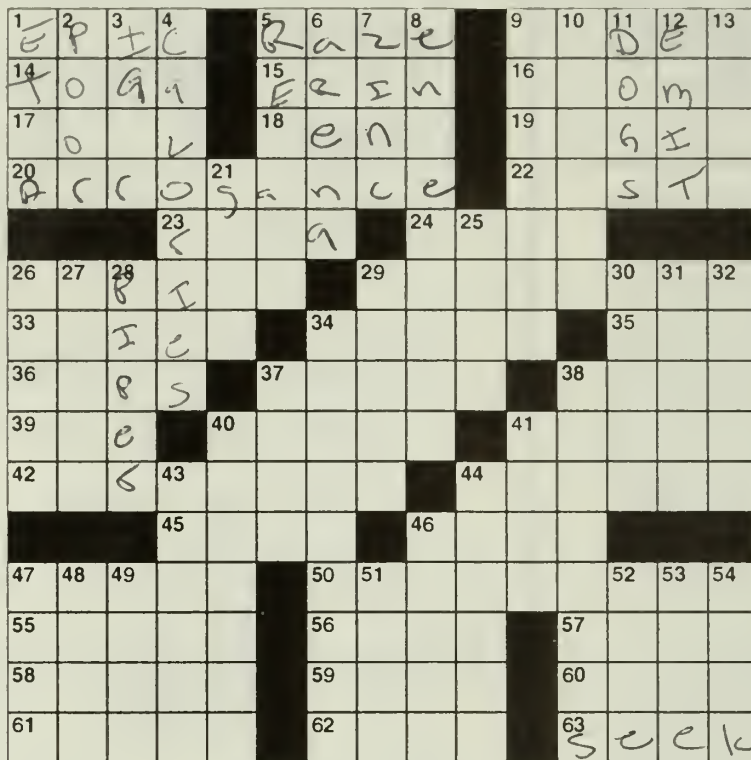

Was it Juan Valdez who discovered Coffee? NOT

Careful research discloses that the Coffee plant is indigenous to Arabia. The first mention of the uses of the plant is by a physician toward the close of the ninth century A.D. Arabians must be given credit for discovering and promoting the use of this beverage. The first report of cultivation would be in Southern Yemen, near Ethiopia around 575 A.D.. It would be some time before the Coffee plant would be able to go beyond those borders. The Arabians very protective of their new found industry, and for a time successfully prevented it's spread to other countries by not permitting any of the precious berries to leave the country unless they were first boiled in water, so as to destroy their powers of germination. It wouldn't be until the 17th century that the Coffee plant would be successful in escaping the hands of the Arabs. South America would not have even 1 coffee seed until the Dutch delivered the tree in the mid 1700's! Yes, the Dutch are responsible for Juan Valdez and his successes. The Dutch would start cultivating in Brazil around 1727, Costa Rica (1779), Guatemala (1750), and Hawaiian islands (1825). So next time your enjoying that cup of Coffee, thank the Dutch & Arabs!

This Week's Horoscope

by Linda Black

Weekly Tip: Find time for team sports even though there's a tough assignment looming.

Aries (March 21-April 19). A game may conflict with other responsibilities. With an extra surge of adrenalin, you can do it all. An attractive nuisance may just about drive you crazy.

Taurus (April 20-May 20). A friend could be particularly annoying. If the discussion's getting nowhere, go for a drive instead. You're luckier in love.

Gemini (May 21-June 21). Stay home and concentrate on getting all the little jobs done. If you do that, the rest of the month will be easier.

Cancer (June 22-July 22). You'll be tempted to buy the most expensive item. If you wait to do your shopping, you'll make a better deal.

Leo (July 23-Aug. 22). You should be in a good mood. That's lucky, because there's lots of work to be done!

Virgo (Aug. 23-Sept. 22). You're under pressure. Don't argue, just do the job. Check your work even more carefully than usual.

Libra (Sept. 23-Oct. 23). Your friends can help solve a big problem. Comply with regulations. Pay the bills.

Scorpio (Oct. 24-Nov. 21). An arrogant authority figure could be hard to take, especially if you know the material from experience. A friend will come to your rescue.

Sagittarius (Nov. 22-Dec. 21). Get out for a run or bike ride. You need the exercise, and a friend needs the company.

Capricorn (Dec. 22-Jan. 19). An attractive expert can help with finances. Do your field work. A rumor you hear may not be true.

Aquarius (Jan. 20-Feb. 18). Your partner's arrogance may be giving you fits. Be patient, but stick with what you know is right.

Pisces (Feb. 19-March 20). There's a very difficult task ahead. You may even have to get a tutor to help you complete the assignment. Don't believe everything you hear.

If You're Having a Birthday This Week: Handle finances this year, and you'll prosper! Don't, and you won't.

among the largest selection of adult classes to date. All classes are for six weeks and most of them are held from 6:00 pm-9:00 pm one evening per week. Among the new course offerings will be an upholstery class. Other courses include real estate fundamentals, arts and crafts, aerobics, geodesic design, introduction to electronics, automotive maintenance, 35 mm photography, introduction to personal computers, microsoft word, windows for pc's, welding, cake decorating, quilting, floral design, small engine repair, lotus 1-2-3, desktop publishing, drafting-blueprinting, autoCAD, oil/watercolor painting and basket making. The cost for each 6-week course is \$45. More information about these adult classes can be obtained by calling Norman Reid at 763-8011 anytime during normal school hours.

Stenciling/Decorative Painting

Old Colony will be offering an adult education course called Stenciling/Decorative Painting starting on January 18. This 3 hour weekly course will show you the basic techniques to design, create and cut your own stencils that can be used on walls, wood or fabrics. Class supplies will be minimal and you can bring small projects from home to stencil. Basic decorative painting techniques will be presented to enhance your stencilling. The cost for this 6 week course is \$45. More information can be obtained by calling Norman Reid at 763-8011 anytime during normal school hours.

Magic With Seashells

Old Colony in Rochester plans to have a

Dear Friends,

We are moving soon to our beautiful new building on Sconticut Neck Road in Fairhaven. Our hearts are filled with joy at the prospect; in fact, we're going to call our program "PROJECT JOY". While we wait for the construction to be finished, you'll still find us at the Knights of Columbus building in Mattapoisett, tending our indoor plants, painting, sculpting, doing strength training, (new term for weight lifting) and going on weekly field trips. All this despite the fact that some of us are in wheelchairs or walking with assistance.

Do you know someone who would benefit from the above activities...or who needs health care monitoring by our full-time Registered Nurse?

Call us at 758-6171 to arrange a visit for your loved one, or we will come to your home to meet him/her and explain our program further.

A POWERFUL PRAYER TO THE HOLY SPIRIT

Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor.

Only your initials shall appear at the bottom. P.E.

A PRAYER TO THE BLESSED VIRGIN

O most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God. Immaculate Virgin assist me in my necessity. O Star of the Sea, help me and show me here you are my mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to secure me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin pray for us who have recourse to thee (3 times). Holy Mary, I place this cause in her hands (3 times). Say this prayer for three consecutive days and then you must publish; it will be granted to you. J.M.H.

ST. JUDE'S NOVENA

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred Heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us.

Say this prayer 9 times a day. By the 8th day your prayer will be answered.

Say it for 9 days. It has never been known to fail. Publication must be promised. Thank You, St. Jude. P.E.

single page brochure printed by the students in the Offset Printing Department at Old Colony Regional Vocational High School. The brochure attempts to answer eight basic questions which youngsters have about vocational technical education. The brochure is available to members of the community by calling Old Colony's Guidance Office at 763-8011 extension 26. Old Colony accepts youngsters from the towns of Acushnet, Carver, Lakeville, Mattapoisett, and Rochester.

The materials for the brochure were made available through a Federal Grant without cost to the school.

Grim Reaper Day

Friday, December 15 was "National Grim Reaper Day." This is a day for schools to participate in activities to raise awareness of drunk driving fatalities. Old Colony S.A.D.D. (Students Against Drunk Drivers) Chapter organized an activity to raise awareness. As an attempt to illustrate the grim fact that somewhere in America someone is killed every 32 seconds in an alcohol related incident, a cowbell was rung every 32 minutes through the day.

Both staff and students were unaware of the significance of this bell. At the end of the day a message was read over the intercom describing the

Power Squadron Boating Course

Late Registration for the United States Power Squadron's boating course will be held at 7:15 pm on Tuesday, January 16, 1996 at Old Rochester Regional High School (Route 6 in Mattapoisett, near the Marion/Mattapoisett line.) The first class is also on January 16 from 7:30 pm to 9:30 pm.

Boaters can save on insurance if they take a basic boating course like this. Statistically, boating course graduates have good safety records, making them better risks for marine insurance companies. In the six two-hour sessions of the course, students will be introduced to the basics of 14 subjects.

The seventh session is a final exam. A United States Power Squadron's Certificate of Completion is awarded to everyone who completes the course and passes the final exam. Anyone is welcome to sign up for the course. There are no age restrictions. Boat ownership is not required. Instruction is free, the only cost being for materials plus \$5 to help defray the cost of the classroom rent.

For more information contact Dick Fearing at 748-1890, Gale Hudson at 758-6407, Walt Sawyer at 758-2769, Bob Coburn at 947-4462 or Ralph Parker at 995-9204.

WE ALL MAKE MISTAKES
Fortunately, some can be corrected.

So you should have replaced your old oil-guzzling boiler last year. So you made a mistake.

Fortunately, you can still save a bundle this year with a fuel-efficient Smith oil-fired boiler. With its 86% efficiency rating, your Smith boiler pays for itself in fuel savings in no time. Add up the efficiency, comfort and limited lifetime warranty and you'll discover that you can't afford to wait another day.
